14	19 Long Aerobic	10 Aerobic Recovery	8 Easy Aerobic	Rest	8 Easy Aerobic	rest or jog	jog & few light strides
Marathon							

Training Tips

- This programme assumes a current ability to comfortably complete 25km at your average training pace. ie: long aerobic effort.
- It must be stressed that this programme is a guide only and should be modified to suit individual needs.
- You should record your runs in your daily diary and note any problems.
- Any health/ injury problems seek advice. Adopt a good diet. Stretch regularly and include sports massage.

Club Runs/Walks: Every Sunday at YMCA Greys Ave. www.ymcamarathon.org.nz
